Re: Herrick v. Very Fetching Company, Inc., 1:19-cv-11353 (LJL)

Dear Judge Liman:

We represent Plaintiff Daniel Herrick in the above-captioned case and write on behalf of all parties and their counsel. In light of recent public health developments, we are respectfully and jointly requesting that the Court adjourn the status conference currently scheduled for March 23, 2020 at 10:00 a.m. for a period four weeks. Although plaintiff would have been amenable to a telephonic conference, defense counsel has requested that the conference be adjourned because he has fallen ill. This is the first request for an adjournment.

Thank you for your consideration.

Respectfully Submitted,
